New Rule of Forfeits for the State Basketball Centre

Forfeits must be notified to the SJBC club by lunch time Wednesday or a fee will be incurred –Janina Dowling dowlingfamily@aapt.net.au

UNIFORM UPDATE – NO SHORTS!!

Unfortunately due to factors beyond the club's control, we still doesn't have our team shorts yet. If Property Manager Shirley Brewer gets them by Saturday she will bring them to the Stadium. So this week, children need to wear something as close to the blue or white as they can. Perry Lakes will be notified that not everyone will be in uniform, so there will be no penalty.

MAY 1ST REFEREE LEVEL 0 COURSE

As an incentive, the Committee has agreed to subsidise 50% of the cost of attending the course, plus a \$10.00 Miss Maud voucher. Open to the first five 14- 18 years old and parents who provide a copy of their course invoice. Unfortunately despite our proud history and track record in this department, Scarborough Sharks aren't currently pulling our weight with providing referees for Friday and Saturday. This means that as a club we are not in a strong position to make any issue over any problems our teams may have with the referees, as we would like to be.
